

Tawa Association Football Club

Parents' Pledge of Conduct

Understanding that parents are the singular most important role model for their children, I agree to:

1. Maintain and display self-control while attending training practices, games or tournaments in which my child is participating;
2. Give positive encouragement from the side lines, because it is the best way to support both teams and my child's sporting endeavours;
3. Never ridicule or shout at any player for making a mistake. Praise them or please remain quiet. Respect your team's opponents, supporters, coaches and officials of the game;
4. Teach my child to play by the rules, respect game officials, respect the other team and respect others, because it is as important as learning the skills necessary to successfully play a sport;
5. Recognise that the Coach and / or Team Manager may only represent the team when dealing with the referee.

Signed

(parent or legal guardian)
